

Invitation

On behalf of the German Association of Crystal Growth DGKK and Swiss Society for Crystallography, we cordially invite you to the 5th German Swiss Conference on Crystal Growth GSCCG-5 / DKT2017.

GSCCG-5 / DKT2017 will take place from March 08 - 10, 2017, in Freiburg, Germany. It continues a series of joint conferences between the German and Swiss colleagues (1972, 1974, 1975, 1982), focusing on current topics of research and development in the field of crystal growth and epitaxy.

The topics of the conference include:

- Silicon and Germanium
- Compound semiconductor materials
- Oxides and intermetallics
- Novel materials
- Bioinspired materials
- Nucleation of nanoparticles
- Mesocrystals and Protein Crystallization

The program will include invited and contributed oral and poster presentations, an industrial exhibition, and an open forum discussion allowing a fruitful exchange between industrial and scientific participants.

Furthermore, there will be a session for the DGKK Award and the Young Scientist Award.

Before GSCCG-5 / DKT2017, the young crystal growers of the "jDGKK" will hold their 6th seminar to which also the young Swiss scientists and students are cordially invited.

We invite you to join our conference in the beautiful city of Freiburg at the base of the Black Forest and will welcome your application for participation.

The chairmen of GSCCG-5 / DKT 2017

Agenda

Tuesday, March 07, 2017

6th Seminar of "jDGKK"

Wednesday, March 08, 2017

13:00 Opening Ceremony
13:30 Session 1
15:30 Coffee break
16:00 Session 2 (including DGKK-Award)
18:00 Break
19:00 General Assembly of DGKK

Thursday, March 09, 2017

09:00 Session 3
10:30 Coffee break
11:00 Session 4
13:00 Lunch break
14:00 Poster Session
16:00 Session 5
18:00 Break
19:00 Conference Dinner

Friday, March 10, 2017

08:30 Session 6
10:30 Coffee break
11:00 Session 7
13:00 Closing Ceremony

15:00 Optional: Lab tour Fraunhofer ISE

Location & Access

Freiburg

Minster, small streams, delicacies and wine paired with sustainability and scientific research- you will find all of this and much more in Freiburg. Go on a tour of discovery through the "solar city" and let the pleasant Baden way of life combined with the flair of an international university and ecological flagship city work its magic on you. Freiburg gives you a warm welcome.

More information can be found on the homepage:
<http://www.freiburg.de>

Conference Site

GSCCG-5 / DKT 2017 will take place in the seminar room of the Chemistry Faculty of the University of Freiburg. It is located in the Natural Sciences Campus next to the city center of Freiburg.

The 6th Seminar of junge DGKK will take place at the Fraunhofer Institute for Solar Energy Systems ISE.

Universität Freiburg
Chemische Institute
Albertstrasse 21
79104 Freiburg

Fraunhofer ISE
Main Entrance
Heidenhofstrasse 2
79110 Freiburg

Room reservation

Participants of the GSCCG-5 / DKT 2017 are asked to reserve their hotel rooms as early as possible. A list of hotels and further information can be found on the homepage.

Homepage

Further information about the GSCCG-5 / DKT 2017 can be found on the homepage of the conference:

<http://www.dkt2017.de>

Important dates

November 2016

- 2nd announcement including registration fee and invited speakers
- Start for submission of abstracts

January 2017

- Deadline for abstract submission

February 2017

- Deadline for early registration
- Deadline for applications at DGKK and jDGKK (young crystal growers) concerning grants for participation in GSCCG 5/ DKT 2017 and 6th seminar of jDGKK
- Notification of acceptance
